[CBA Membership Number required]

RSVP: To Stephanie Fabbro at erin@hamiltonfabbro.com.

Continuing Education Credits: 6.5 hours (seeking approval from the Law Society for CPD credits).

The following topics will be covered:

Attachment between parent and child. How does it form? What is healthy attachment? What is unhealthy attachment? How separation and divorce affects attachment. Presented by Yuval Berger.

Stages of Child Development. Essentials of cognitive, emotional, moral, language, and perception of time. Presented by Jesse Elterman.

Attachment and Parenting arrangements. Putting together what we know about child development in crafting age appropriate parenting arrangements. Presented by Robert Colby.

Child problems that are key issues in Parenting Arrangements. This will include Attention-Deficit, Autistic Spectrum, and Learning Disabilities. Presented by Jennifer Barrie.

The Effects of Parental Conflict and Badmouthing on Children. Presented by Alyson Jones.

Interviewing Children. This will include key considerations when a PC interviews a child. Also presented will be pitfalls in interviewing children to canvass their wishes and preferences. Presented by Dr. Michael Elterman.
